Our social networks

Location: Dubai, UAE
Description: Founder's company is a holding company consisting of three companies: two consulting and one project management. It was established in January 2002 and provides comprehensive investment advisory, banking and real estate services to individuals and businesses.

In December 2023, one of the holding companies was sold for **$800 thousand** to the largest logistics company in Dubai. Today's valuation of the holding, which includes three companies, is **$20 million**.

On average, net profit is **$1 million** per month. Currently the holding employs 10 people.

In the context of the global crisis, the demand for the holding's consulting services is growing, attracting clients from Russia, the CIS countries, Asia and the Middle East.

The company's average bill has grown from **$8 000** to **$50 000** over the past two years, demonstrating a significant increase in the efficiency and value of our services.

The company is present in world media such as Bloomberg, Financial Times, Yahoo Finance and dozens of other American and European top publications. This publicity is estimated at **$1 million** per quarter. These publicity indicators are very important for the company's future IPO. The IPO is planned for **2030**.

Global Invest

Protected investments in highly profitable projects

Offer for an investor: A potential investor is invited to purchase **15%** of the shares for **$3 million**.
The money invested in the company will be used to expand the company's operational activities, strengthen international relations the team.

Profit forecast: Dynamic profit growth is predicted, taking into account the current pace of development and potential of the business. If the company continues to generate revenue of **$12 million** per year for the next **5 years**, the investor will receive income of **$9 million** during this period.

$$\textbf{ROI} = \frac{12\,000\,000}{3\,000\,000} \times 15 \times 100\% = \textbf{60\%}$$

Guaranteed repurchase: If the holding's profitability for **3 years** does not reach **10%**, the company guarantees the repurchase of shares for **$3.3 million** (with a **10%** yield).

PROSPECTS
