Description: The Founder plans to open a private school specializing in teaching foreign languages. This is a Russian-English school with in-depth study of German, Korean and Chinese. The institution has a license to carry out educational activities. At the current stage, the educational services market is in the initial stage of development. However, there is a trend towards an increase in the number of private schools due to the growing demand of the population for such services.

The founder has **12 years** of experience in this field, as well as having her own program for preparing children for school with an emphasis on in-depth study of foreign languages.

The founder invested **$50 000** in repairs and rent.
