Description: The Founder is engaged in wholesale and retail trade with domestic confectionery and chocolate products **"Crafers", "Sfad"** and soft drinks **"SMILE LUX"** and is a distributor of these products in the Surkhandarya region.

A project to expand activities is proposed. The market in which the project is being implemented covers a wide range of activities, including wholesale and retail trade, hypermarkets, supermarkets, as well as service and catering enterprises (HORECA) throughout the Surkhandarya region. The author has more than 13 years of experience in this field.

A distribution control program, **"Sales Doctor"**, has been introduced into the production process, which allows monitoring the sales cycle, eliminating vulnerabilities and ensuring complete transparency in the work of all departments.

The investor will be given access to monitoring work through the Sales Doctor program.

The author is ready to present his property as collateral.

The author invested $1,338,500 into:

- Buying land
- Construction of warehouses, refrigerators and offices
- Purchase of 3 trucks
- Investments in goods
