PROJECT № 1540
PRIVATE UNIVERSITY

REQUIRED AMOUNT OF INVESTMENTS:
$950 000

ANNUAL NET PROFIT:
$580 000

RETURN ON INVESTMENT CAPITAL:
49%

Description: The Founder plans to open a private University of Natural Sciences and Humanities (information technology, chemistry, economics and finance) and acquire modern laboratory facilities for the educational process and research, develop platforms, systems and technologies for the implementation of e-education.

Project benefits:
More than **900 000** graduates graduate annually in Uzbekistan, of which only **50%** (**461 000 students** were accepted for the 2021/2022 academic year) are admitted to 78 existing higher educational institutions. The remaining 440 000 of which 200 000 are financially able to study (50 000 study abroad (in 2021)), are unable to study due to the lack of an educational institution. As a result, every year 200 thousand people are left without a place of higher education. As a result, founders intend to get **1.5%** of applicants, that is, 3 000 people. annually for a new university.
