104%

FOUNDER'S INVESTMENT:
$60 000

Our social networks

Description: The founder plans to build a 320-meter Zipline attraction in Samarkand region and develop local tourism. The author of the project invested **$60,000** for construction and installation work on the infrastructure. The advantage of the project is that it will be one of the first to be built in a densely populated area. Such a project has not yet been launched in the region; there are no direct competitors in the market.

Project implementation period after attracting investments: **4 months.**

Required amount of investments: $220 000

NAME	AMOUNT, $
For project work	60 000
Equipment costs	60 000
