PROJECT №1505
PRODUCTION OF PLASTERBOARD SHEETS (EXPANSION OF ACTIVITIES)

Description: The founder plans to modernize the production of plasterboard sheets in the Namangan region. The Initiator's company launched the production of plasterboard sheets in 2019 and during this time there were many buyers and partners ready to purchase their product. Equipment capacity **2,500 pcs.** plasterboard sheets per day. The main products are exported to Tajikistan and sold on the local market in the Namangan region.

The founder invested **$875,000** for the purchase of equipment with transportation, installation and commissioning, construction of a production facility, installation of gas pipelines and electricity, and construction of an administrative building.

Required amount of investments: $250 000

NAME	AMOUNT, $
