Global Invest

Protected investments in highly profitable projects

PROJECT №1406
SALE OF A SHARE IN A BUSINESS MARKETPLACE
(EXPANSION OF ACTIVITIES)

REQUIRED AMOUNT OF INVESTMENTS:
$1 000 000

ANNUAL NET PROFIT:
$930 000

RETURN ON INVESTMENT CAPITAL:
56%

FOUNDER'S INVESTMENT:
$877 000

Description: The founder plans to sell **20%** of the business for **$1 million** to expand its activities in providing B2B e-commerce services to the food market, distributors, dealers and retail and wholesale entrepreneurs. The founder invested **$877,000** to open 12 branches in the Tashkent, Andijan and Namangan regions and establish logistics for product delivery.
In 2022, a trade turnover of **$7,000,000** has already been achieved. By the end of the year it is planned to reach **$9,000,000.**

According to the plan, in 2023 there will be a large-scale opening of many branches throughout Uzbekistan.
The founder studied the market and found out that this business model is applicable not only in Uzbekistan, but also in neighboring Kyrgyzstan, Kazakhstan, Tajikistan and Turkmenistan. This is a modern IT view of distribution, as of all industries.

Free provision of more than **600 types** of sales to category C stores, cafes, restaurants and offices at wholesale prices within two hours with our logistics service. Project implementation period after attracting investments: **1 month.**
