Our social networks

Description: The founder created a mobile application for ordering a taxi between cities and regions. At the same time, there are city taxis and deliveries throughout Uzbekistan. Investments are required to expand services in the form of services with additional tariffs - women's taxi, taxi with child seat, sober driver and accumulative points system.

The founder invested **$200 000** to develop the application, website and brand promotion.

Required amount of investments: $350 000
